96/26 To discuss Parish Council marketing more widely, including Councillor outreach and surgeries

Cllr. Brown and Cllr. Hill believe that public engagement needs to be improved immediately. Cllr. Cheshire East Council to have a total of 4.1 million bus users across Cheshire East by 2031. 81% of buses run on time, with a target of 85% by 2031. There is a slow increase in taking passengers, and a slow trend of improvement relating to punctuality and customer satisfaction. The bus stations in Congleton and Macclesfield are due to be improved shortly.

Cllr. Spence – Cllr. Spence had heard a rumour that some of the Barrett Estate had now been taken over by Jones Homes. Cllr. Hill believes that this might refer to Lorris who have sold some of their Barn Road development to Jones.

Cllr. Spence is still awaiting an update regarding police approval for possible Speedwatch locations on Barn Road. He will liaise with the Police to try and pursue this

Cllr. Brown asked when Cllr. Spence was available to complete a community Speedwatch on Giantswood Lane. Cllr. Spence will send Cllr. Brown some dates.
